QUARANTINE RAISED.

Texas no Longer on Guard Against
San Francisco.

AUSTIN, Tex., June 8.—Governor
Sayers today ordered State Health
Officer W. F. Blount to raise the quar-
antine which this State has had in
force for the past several months
against San Francisco on account of
the alleged existence of bubonic plague
in the Chinese quarter of that city.
This action was taken after a com-
plete investigation, which showed that
no cases of plague exist in San Fran-
cisco.

WAS IN HONOLULU.

Arrest of an Alleged Forger Who Stopped Here.

Edgar Giersdorfer, alias Howard E.
Vernon, who claims to be vice presi-
dent of the Universal Automobile Com-
pany, with offices in the Parrott build-
ing, was arrested in Escalante last night
by Sheriff Taylor of Marin county, and
Detective Archie Hamill of this city.
He was apprehended on a bench war-
rant issued in New York. He is charged
with grand larceny.

It is claimed that forgeries commis-
sioned by Giersdorfer in New York last
March against the firm employing him
netted him \$16,000. He passed through
this city on his way to Japan, but went
only as far as Honolulu. He returned
from there and has since been resid-
ing with his wife in Marin county.

Giersdorfer claims he is innocent.
He has secured the services of Attor-
ney James W. Cochrane. The prisoner
appears to have plenty of money, and
does not seem to fear the result of
his trial.—Call.
